STL150

DIRECT SUSPENDED LINEAR

CE | IP40 | UKCA | 3 SDCM

The STL150 is an elegantly designed ceiling-mounted LED luminaire that offers direct light distribution. It features a sturdy anodized aluminium housing available in black or white satin finishes. The UV-stabilized frosted diffuser ensures optimal light transmittance while reducing glare. This fixture comes with a switchable driver integrated into the housing, and you can opt for a DALI driver and/or a 3-hour emergency pack for added functionality. It is available in two colour temperatures —3000K or 4000K—with LED PCB boards boasting a CRI greater than 80, ensuring vibrant and accurate colour rendering.

Product Information

LENGTH OPTIONS:	POWER:	COLOUR TEMPERATURE:	OUTPUT:	EFFICIENCY:
600mm	14W	3000K	1345lm	96lm/w
600mm	14W	4000K	1402lm	100lm/w
